

5th International Conference on Intelligent Environments (IE'09)

The IE'09 Conference [programme](#) has been announced, [check it!](#)

It is our pleasure to invite you to the 5th International Conference on Intelligent Environments (IE'09), which will be held at the Technical University of Catalonia, Barcelona, Spain from July 20 to July 21, 2009.

The conference will provide a leading edge forum for researchers and engineers from across the world to present their latest research and to discuss future directions in the area of Intelligent Environments. The conference will bring together researchers from both industry and academia from the various disciplines contributing to the area on Intelligent Environments.

Such disciplines include, but are not limited to:

- Ambient Intelligence
- Ubiquitous Computing
- Pervasive Computing
- Intelligent Agents and Agent Technologies
- Middleware and Programming Models
- Context aware Systems
- Networking and Communications
- Human-Computer Interaction
- Multimodal Spoken Language Dialogue Systems
- Knowledge Management
- Domestic and Rehabilitation Robotic systems
- Smart sensors and actuators
- Smart Materials
- Space and Architecture
- Art and Design
- Social Aspects
- Legal and Ethical Aspects
- Smart Environments Applications

- Virtual Environments

The conference is the next in a series of successful events that took place in the last four years. More information about previous conferences can be found in:

IE05, Colchester, UK: <http://iieg.essex.ac.uk/ie05/>

IE06, Athens, Greece: <http://conferences.iee.org/ie06/>

IE07, Ulm, Germany: <http://www.uni-ulm.de/ie07/>

IE08, Seattle, USA: <http://conferences.theiet.org/ie08/>

We look forward to seeing you in IE09
